BACKGROUND: Dr. David C. Page is a 3rd generation general dentist in private practice in Baltimore, Maryland. He is a 1980 graduate of the University of Maryland, Baltimore College of Dental Surgery. His special interests include: General Dentistry, Medical Dentistry, Functional Jaw Orthopedics, Early Orthodontics, Staff Education & Vitamin D Deficiency. He is a Member of BCDA, MSDA, ADA, MAGD, AGD and IAO. He was a Charter Member of the American Association for Functional Orthodontics (AAFO.org). He achieved the highest level of AAFO Certification and was named AAFO Clinician of the Year for 2002. He is a Dental Clinician, Dental-Medical Researcher, Author of *Your Jaws~Your Life* (2003--now in 21 countries), *The Global Pandemic of VDD* (2018) Speaker, Consultant and Founder of the Educational Web Sites: www.SmilePage.com and www.VDDKills.com (www.VitaminDDeficiencyDiseases.com)

MAIN PRESENTATIONS: (for Dentists, Dental Staff, Other Healthcare Workers & The Public)

- **Early Orthodontics: 5 New Steps to Better Care:** Learn 5 Exciting Ways to Practice Early Treatment as featured in the article published February 2004 in *Dentistry Today*—"The Nations Leading Clinical News Magazine."
- **"Real" Early Orthodontics: From Birth to Age 8:** Learn how and why braces at age 8 can be too late and how and why "real" early treatment is very effective and efficient. Learn what most dentists and the public do not know.
- **Functional Jaw Orthopedics (FJO):** Reviews FJO treatment, clinical dental & medical results, general dentistry normal/abnormal jaw/airway formation, breast suckling vs. bottle sucking, habits, tonsils, braces-without-braces, & nutrition.
- **Controversies in Dentistry:** Reviews dentistry's new future—medical dentistry, amalgams & composites, antibiotic pre-medication, dental insurance & benefits, orthodontics even at age 3, orthodontic extractions (serial, bi-cuspid, 2nd & 3rd molars), cracked tooth syndrome, expanded staff functions, indirect supervision, waterlines, & perio/apnea/heart disease.
- **Early Orthodontics Can Prevent Neglect:** Learn when early orthodontic treatment must be recommended. Learn how early treatment can prevent many tooth extractions, oral surgery and even later extreme make-overs.
- **Medical Dentistry: 7 steps fo better lifelong health.** Reviews dental-medicine topics from the #1 best selling self-help alternative dental medicine book: *Your Jaws~Your Life* (2003). Learn about the medical effects of dental treatment. Research & clinical examples will be presented on ear disease, bed wetting, airway, hypoxia, sleep apnea, longevity, hypertension, heart disease and more. *The Global Pandemic of VDD: Vitamin D Deficiency* (2018): Learn how Doctors of Dentistry & their staff can take urgently needed clinical action to help stop it.
